

Transform any surface where a QR code can be placed, into a point of sale.

Now your store can reach customers anywhere, by giving them the freedom to shop from anywhere a QR Code can be placed.

Transform store windows, printed leaflets/catalogs, bus stops, magazine adverts, outdoor banners and more, to effective sales points, which work 24x7 for you. With the Valuelenz QR Code generator and integrated Digital Store, no e-shop is required.

WHY ANYPLACE SHOPPING?

- Ability to sell without an e-shop
- Transform any surface into a sales point
- Rapidly build your customer base and keep customers loyal
- Extend the shopping experience to out-of-store environments
- Drive more sales and boost customer engagement
- Gamify the shopping experience with dynamic real-time incentives and rewards
